

Tsirelson's Day at TAU

May 21, 2010

School of Mathematical Sciences
Schreiber Building, Room 006

9:45 Morning Coffee

10:00-10:40 Opening remarks about Boris and his Mathematics by Vitali Milman and Misha Sodin.

10:45-11:35 Benjamin Weiss
"On the divergence of a stationary random field"

11:35-11:55 Coffee & Refreshments

11:55-12:45 Ofer Zeitouni
"Maxima of Random Fields and Tightness"

12:55-13:45 Oded Regev
"Unique Games with Entangled Provers are Easy"
